The 8th Annual Conference “**AVIATION: PRESENT AND FUTURE**” will take place on Thursday, **May 16th 2013** at the amphitheatre of the *Ministry of Development, Infrastructure, Transport and Networks of the Hellenic Government* in Athens, Greece.

The conference is organized by **iForce Communications S.A.** in collaboration with the “**Pan-Hellenic Union of Pilots and Flight Crew of the Security Forces and Public Sector of Greece**” (P.E.I.P.S.A.D.Y) and the “**Air Accident Investigation & Aviation Safety Board**” (AAIASB), under the aegis of the *Greek Government*.

The conference is focusing on investigation and analysis of the current public and private status in the field of Aviation sector from a legal, scientific and economic point of view and in the framework of the European Union and the international practices both in public and private sector. We consider this conference to be attractive and profitable not only for the experts and decision makers of the aviation business environment area but also for the wider public and our society. This year the program of the conference consist on two panels focused firstly to the **Privatization Process of Regional Airports** and secondly to **Job Opportunities on Airports**.

As the Greek government announced a wide range privatization programme, aimed at leveraging private investment to help restructuring and developing the Greek economy, ***new business opportunities arise***. Greece has 45 operational airports that present great
